SUMMARY

I am currently pursuing my post-graduation in MCA from Amity University Online. Alongside, I am also enhancing my skills in Digital Marketing and Graphic Design through various other courses. My journey has helped me develop a strong foundation in web development, data cleaning and preprocessing, digital marketing strategies, SEO, and statistical analysis. I am proficient in JavaScript and Node.js, with hands-on experience using popular libraries like React and Node.js. Additionally, my skills in graphic design allow me to create visually compelling content, enhancing digital marketing campaigns and overall user experience. I am committed to continuous learning and staying updated with the latest industry trends to further enhance my expertise."
